Dear Sir,

S. S. "LOSSIE"

We have docked the above vessel to-day for inspection by your Surveyors, and as we expect to sell her we trust you will be able to give us the date of completion as from now.

You will quite understand that we have kept this vessel under daily observation, and docked and painted her periodically, on which occasions your Surveyors attended, and we have no doubt that your Surveyors will corroborate this that she is now as good as the day she was launched.

We trust that after this explanation your Society will grant our request for the Certificate to be dated as from now.

Yours faithfully,

FOR THE MANCHESTER DRY DOCKS CO. LTD
