Dear Sir,

s.s. "STANLAND"

Thank you for your letter of the 8th.

Our Superintendent is in touch with your Surveyors at HAMBURG in connection with the boiler and screw shaft Surveys and we appreciate the consideration shown by your Committee in this respect.

We are, however, disappointed that the Committee has rejected our application for the Special Survey date to be advanced and whilst appreciating the point raised in your letter, we do request that the matter be again put before your Committee for reconsideration.

Yours faithfully,

For STANHOPE STEAMSHIP Co., LTD.

*I am of serious doubt
if the report on what does
CSS think pl.*

*I think that the announcement to G-CO was
generous, and that in view of the age and type of
the machinery better would be no judicious!*
