s.s. "STANLAND"

As you will know, the above vessel passed Special
at HAMBURG in June last year.

Unfortunately, conditions have been such that the
vessel has not traded since that time but with the prospect of
improving freights, we are now proposing to drydock the vessel
at HAMBURG within the next fortnight, prior to recommissioning.

We now wish to apply for the Special Survey date for
the machinery and tailshaft to be brought forward to May/June
and should appreciate your placing our request before your
Committee for consideration.

Yours faithfully,

For STANHOPE STEAMSHIP Co., LTD.
