Dear Sir,

Enclosed please find a copy of a letter we have today received from Messrs. Robin, Eggins & Co. Ltd, regarding the fees charged for the m.v. "DORABELLA". We have to refer you to your letter Ref. S. of the 2nd instant, and we shall be glad if you will kindly let us know the reply to be sent to the above firm.

Whilst on the question of the fees for this vessel we shall be glad if you will kindly let us know if 80% of the total is to be paid to Mr. McQueen, the late temporary surveyor of the B.C. at Southampton, as it is noted in your letter that part of the survey was done by the B.C. London Surveyors.

We are, dear Sir,  
Yours faithfully,
