PORT OF GLASGOW

T.23

July 22, 1949.

rs,

S.M. "DORABELLA" ex L.C.I. (L) 284

With further reference to your letter of July 1, we have to inform
at the fee to be charged for the classification survey in this case is
which includes the London surveyors work.

We have also to state that as this survey was carried out by
exclusive surveyor, a confirmatory survey will require to be carried out
exclusive surveyor to conform with British Corporation practice. This
atory survey normally takes the form of a general examination and any
up is at the surveyor's discretion. We should therefore be obliged
would make arrangements to have this survey carried out and confirm
though not specially mentioned in the report, the deck was reinforced
5" x $\frac{3}{4}$ " flat in accordance with the plan approved Jan'y. 10 1949.

Yours faithfully,

veyors,
Register of Shipping,
PTON.
