OLI CADIZ.

"NORRISIA" Reverting to my letter of the 13th November last requesting that arrangements be made for a Senior Surveyor from your port to join the Non Exclusive Surveyor at Gibraltar, I have to inform you that the report of survey has come to hand and received the consideration of the Committee.

I think it well to point out that in such cases you should arrange for the report to be forwarded here through your Office for the purpose of being signed also by the Senior Surveyor who joined in the survey.
