Secretary,  
Lloyd's Register of Shipping,  
Fenchurch Street,  
London, E.C.3.

Dear Sir,

s.s. "Portelet".

Thanks for yours 23rd instant and for agreeing  
the examination of this ship in dry dock in early  
April.

We note your reference to the Society's Southampton  
Surveyor's recommendation that a defective stay tube  
starboard box in the starboard boiler should be renewed  
at the earliest opportunity and we are keeping this well in  
mind, and also, of course, that the main boiler will be  
coming due for survey end of May next.

Yours faithfully,

**DOREY & SONS LTD.**
