Dear Sir,

s.s. "Portelet".

We acknowledge receipt of yours 15th today. Just for moment our ships are busy with our local contracts and should like to carry on until, say, April. We know of nothing to worry about at the moment.

As you know the vessel dries out here on every trip we keep a close watch on the whole job. It is our intention to get as much work as possible done on the vessel at float - in fact, we should like everything that is to be done to be carried out in this Island, with the exception of painting the bottom in dry dock.

We trust, therefore, that you will agree for us to remain here until early April.

Yours faithfully,

ONEGINUS DOREY & SONS LTD.
