Dear Sir,

s.s. "YOUSUFBAKSH"

*RECEIVED*  
*All Anat Chittagong*

We acknowledge receipt of your letter of the 2nd instant with details of the items remaining for completion of Special and Engine Surveys.

We have been informed by the Owners that the items listed for completion of Special Survey i.e. hatch boards, ventilators, air pipes, have been attended to and that arrangements have been made for them to be inspected by the Chittagong Surveyor.

They also state that arrangements are being made for the replacement of 45 fathoms of anchor cable.

As far as the Engine Surveys are concerned nothing was done during the vessel's stay at Karachi but the Owners state that arrangements have been made to complete the Engine Special Survey in Chittagong, at which port the Main Boiler Survey will also be carried out and further, that a new main condenser forward door will be fitted at Bombay by the end of March, 1965.

I am, Dear Sir,  
Yours faithfully,

*K.D. Boothman*
