SUPERINTENDENTS' DEPARTMENT

12th May, 1966.

The Secretary,
Lloyd's Register of Shipping,
71, Fenchurch Street,
London, E.C.3.

Dear Sir,

m.v. "GLOUCESTER"

Further to our letter of 2nd February last, we confirm that it is our intention to dispose of this vessel for scrap. She will be sold to foreign buyers for demolition in the Far East, and is required to be delivered in Class with all Certificates valid to 31st October 1966, for a voyage to the Far East with cargo under her own power.

We now wish to apply for a further extension of Class until 31st October 1966. "GLOUCESTER" will be free of cargo in London next month, when your requirements to meet the circumstances outlined above can be carried out.

Yours faithfully,

Marine Superintendent.
