The Secretary,
Lloyd's Register of Shipping,
71 Fenchurch Street,
London, E.C.3.

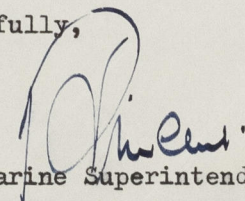

Dear Sir,

m.v. "GLOUCESTER".

For your information, it is our intention to dispose of the above vessel for scrap after one more round voyage to New Zealand. It is anticipated this will terminate next July, but before then we will be requesting an extension of Class to enable the ship to proceed with cargo to the Far East where demolition will take place.

A general Examination was carried out by your Surveyors in London, August, 1965, for deferment of Class Survey until July, 1966.

Yours faithfully,

Marine Superintendent.
