

WOKINGHAM COPY.

S.

Dear Sir,

8th August, 1941.

With reference to Glasgow Rpt. No.64110A on the Refrigerating Machinery and Appliances of the motorship "GLOUCESTER", it is concluded the Surveyors checked the spare gear on board and that brine sealed traps are fitted to the scuppers as required, but I shall be glad if you will ascertain from the Surveyors and let me know whether this is so.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
