Dear Sirs,

CLASSING LETTER

"TOMAR". As a result of the General Examination carried out by the Montreal Surveyors during November, the Committee have approved the postponement of the Special Survey until the end of December next.

Please advise the Owners accordingly.

10660 "TEXACO BRASIL". As recommended.

I acknowledge receipt of your letter of the 8th February, with enclosure, the contents of which have been noted.

Please advise the Owners that in order to complete the Auxiliary Boiler Survey which becomes due at the end of the present month, the port and starboard boilers require to be examined throughout, and their safety valves require to be adjusted under steam.

The oil burning system and remote controls require to be examined under working conditions.

According to the records in this Office the following machinery items require to be examined by the end of July next:-

Starboard main air receiver.
Emergency fire pump and its driving engine.
