The Principal Surveyor

NEW YORK

Dear Sir,

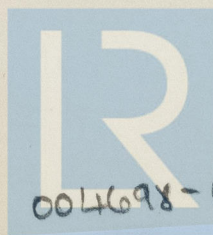

"SALAMANNA"

With reference to your letter dated 26th February, I have to confirm that the recommendation on my Rpt. 8 (Cco. No. 6693) page 2, should read "at next drydocking" and not "at next Special Survey", as erroneously stated. The error is very much regretted.

Regarding the items on the Report 8(PS) which require attention, I have to report that these were NOT dealt with at this port.

Yours faithfully,

J. C. Nobels
Surveyor
