Dear Sir,

steamer "SALAMMANNA"

The Owners of this ship have requested to be supplied with a copy of the Report of the survey which was carried out at Santa Pola in May, 1963.

This survey was held by you and Mr. Maddocks but no Rpt. 8 was furnished although you did write to this Office in regard to the circumstances leading to your inspection.

I shall be glad if you will now prepare and forward to this Office, as a matter of urgency, a Rpt. 8 to cover the survey. The Report should be strictly factual in regard to the condition of the ship as found and should incorporate your recommendations for repairs. No reference should be made to the circumstances under which the survey was held or to any correspondence.

In order to assist you in this matter, I enclose a copy of Valencia letter of the 25th May, 1963, to this Office, a copy of my letter to the Owners of the 31st May, 1963, a copy of Middlesbrough Report No. 22824 and a copy of Suez Report No. 1892.
