Dear Sirs,

S.S. "SALAMMANNA"

With reference to the Special Survey, due at the end of last month, and to the entries in the Special Reasons List, the following is an extract of a communication which has been received from the Owners' London Representative:-

"You are no doubt aware that the vessel run aground on leaving Salvador Bahia on the 17th April and she is still at Salvadore in damaged condition and she is expected to sail today for Rio de Janeiro for the purpose of drydocking and inspection of the bottom.

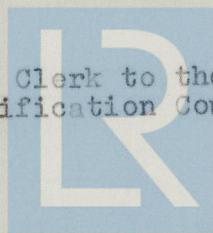

We have no doubt that the Owners have in mind the Special Survey and the items which are due, and we are full of hope that they will attend same when the vessel's bottom will be permanently repaired at Rio de Janeiro".

I shall be glad if you will give the case the necessary attention and let me know, in due course, the position.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
RIO DE JANEIRO.
