Dear Sirs,

S.S. "SALAMMANNA"

With reference to your letter of the 20th March and previous correspondence, I shall be glad to learn whether you are yet in a position to state what is the present position regarding the overdue machinery condition of class, requiring that the starboard furnace of the port boiler be specially examined and checked by the end of February, 1964, and the Special Survey due at the end of April, 1964.

An early reply will be appreciated, as this case will require to be brought to the attention of the Committee as soon as possible.

Yours faithfully,

Clerk to the
Classification Committee
