Dear Sirs,

s.s. "SALAMMANNA"

With reference to the classification of this vessel in the Society's Register Book, I shall be glad to learn what arrangements are proposed to be made for the machinery condition of class, referred to in the second paragraph of my letter of the 19th December, and the auxiliary condenser water box which requires to be examined at the earliest opportunity, to receive attention.

I would remind you that the Special Survey becomes due at the end of April and your intentions regarding this inspection will also be appreciated.

Yours faithfully,

Clerk to the  
Classification Committee.
