

S.S. 'SALAMMANNA'.

As no information had been received from the Middlesbrough Office, I telephoned requesting information. I was told that the Surveyor was at present at Hartlepool and no information would be available until Monday, 10th June.

It was also stated that the M.O.T. Surveyor had found other defects which required attention. Mr. Gourdonichalis was informed accordingly.

E.J. Parker.

Mr. Crish telephoned 10.6.63 that temporary repairs to forepeak and No. 1 double bottom tank top are in hand - and that it will not be necessary to clean any D.B. tanks at Stal. A certificate will be issued for the voyage to Alexandria.
