Capt. Brooks, for Owners, called here today and stated that this ship is presently laid up in Bombay but Owners have asked about her availability for the transportation of Indian Refugees from Lourenco Marques to Bombay.

He asks our requirements to allow the ship to make this voyage, expected to be completed in Bombay before the end of 2,63.

He further stated it is Owners' intention to drydock the ship in Bombay now, carry out the requirements of an Annual Load Line Survey and as much of a General Examination as possible, and is confirming this in writing.

Owners' proposals are submitted for approval, and on receipt of the Owners' letter the Bombay Surveyors should be informed accordingly.
