

m.s. "S A N G O L A"

Refer our letter dated 31.10.63
to Owners approving postponement of Special Survey,
due 11,62, until 11,63 provided a satisfactory General
Examination is held at an early date.

Capt.D.B.Lattin, Owners' Superintendent,
called this forenoon and stated that in addition to the
General Examination proposed they intend commencing
the Special Survey at the same time. He was advised
that no exception would be taken to this arrangement
provided it was understood that the S.S. Notation
date would be governed by the time when the principal
part of the Special Survey requirements were complied
with.

Capt.Lattin desired that the foregoing
be confirmed by letter.
