Our Ref: 1-587.....

Dear Sir,

S.S. "DRAGON BOAT"

With reference to the attached Reports No. N-205 covering the Survey carried out at Nagoya during December, it is thought well to advise, in view of the recommendations which require to be dealt with on arrival at Mukaishima, that the ship is at present still at Nagoya and the local agents have no information as to when the ship is expected to sail.

It is also understood that there is a dispute between Owners and Insurers in connection with liability for the cost of damage repairs.

Yours faithfully,

Attached:-  
As stated above.

  
For the Surveyors.

The Secretary,  
LONDON.
