Dear Sirs,

"CAPE ST. DAVID"

We acknowledge with thanks your letter of the 15th
April.

It is quite true that two main generator sets of
20 K.W. capacity have now been installed on the above vessel
but, as we do not anticipate any further electrical equipment
being installed on the vessel which would need a load greater
than 20 K.W., we have no objection to the acceptance of the
electrical arrangements as now fitted.

Perhaps you will kindly advise your Rotterdam
surveyors accordingly.

Yours faithfully,

LLOYD'S SHIPPING COMPANY LTD.
