LOSURE.  
-----

9th June, 1926.

Dear Sir,

I return herewith your freeboard report on Messrs. Antiers & Ateliers de Penhoet, St. Nazaire, Yard No. U5, forwarded with your letter of the 7th instant, and have to state that as this vessel is to be fitted with a tonnage marking the particulars should be given relative to the second deck, the particulars of erections above the second deck being reported in the space for deck erections.

As a British assignment is required, the figures should be given in English measure.

I am, Dear Sir,

Yours faithfully,

Secretary.

W. Webster, Esq.,

ST. NAZAIRE.
