The Secretary,  
Lloyd's Register of Shipping,  
71, Fenchurch Street,  
London, E.C.3.

Dear Sir,

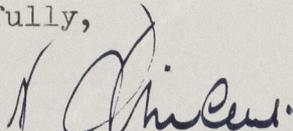

m. v. "DURHAM"

In July 1964 we made application to carry out a General Examination of this vessel with a view to postponing the Class Survey until October, 1965.

"DURHAM" will now be sold to foreign Buyers for demolition in the Far East, and is required to be delivered in Class, with all certificates valid until 1st February, 1966 for a voyage to the Far East with cargo, under her own power. We now wish to apply for a further extension of the Class Survey until 1st February, 1966.

It is anticipated that the ship will be free of cargo in London about 22nd October, and we shall be pleased to carry out any requirements for a General Examination to meet the circumstances outlined above.

Yours faithfully,

  
Marine Superintendent.
