Dear Sir,

m.v. "DURHAM"

The Class Survey of the above named vessel falls due in October of this year. The ship is due in the U.K. at the end of the month, and on completion of her discharge will proceed to Falmouth.

We wish to apply for your approval to operate the ship throughout her Year of Grace, subject to a General Examination by your Surveyor during the period that the ship is in Falmouth. We are arranging for the ship to be drydocked approximately the third week in August.

Yours faithfully,

  
Marine Superintendent.
