Dear Sir,

" SEISTAN "

Further to our cable of this morning with reference to the above vessel we have held a telephone conversation with Mr. Grieves of Palermo who stated that the ship is undocked and not prepared in any way for survey and an Owners' Representative is proceeding to London where he will discuss this case in Head Office.

In these circumstances it has been decided to postpone Mr. Sutherst's visit in the meantime until the position is clarified.

Yours faithfully,

The Secretary,  
London
