Ans'd 29.3.58

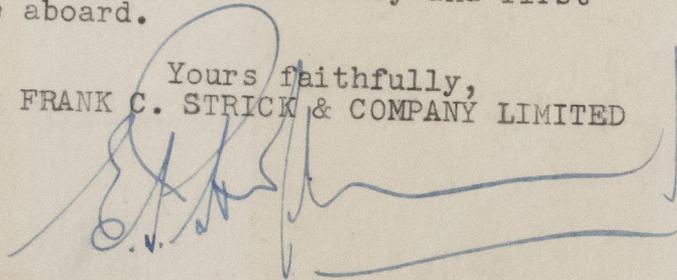

Dear Sir,

m.v. "SEISTAN"

We thank you for your letter of yesterday and for your courtesy in advising us that the Committee will be considering the insertion of a casualty record against the above vessel's name in the Society's Register Book, to which of course we can have no objection.

We would bring to your notice, however, that the explosion on the "SEISTAN" occurred on the 19th February, 1958, and not on the 17th idem, as mentioned in your letter, the latter date being that of the discovery and first reporting of the fire aboard.

Yours faithfully,
for FRANK C. STRICK & COMPANY LIMITED
