The Secretary,
Lloyd's Register of Shipping,
LONDON.

Dear Sir,

Steamer "MANGROVE HARBOUR"

With reference to your letter of 5th instant we think it well to inform you that this vessel is stranded outside Hong Kong harbour, having been blown ashore during Typhoon Wanda. While no decision has been reached to date it is highly improbable that salvage will be attempted.

Under the circumstances we have not referred to the Owners your enquiry regarding a "Laid up" notation.

Yours faithfully,

James A. Anderson
