28th October, 1937.

Dear Sir,

S.

With reference to Liverpool First Entry Report No.109742 on the steamer "CITY OF CAPE TOWN", I shall be glad if you will be good enough to ascertain from the Surveyors and let me know whether the solid floors amidships are spaced as shown on the approved plan, or as shown in the report, at 5 feet apart.

Further, it is concluded that the automatic governors on the electrical generating sets have been tested on a full load, but I shall be glad if you will enquire of the Surveyors and let me know whether this is so.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

LIVERPOOL.
