With reference to you enquiries addressed to Messrs. Lloyd Brasileiro, through this office, regarding the carrying out of overdue surveys on the Refrigerating Machinery and Appliances of their vessels:-

ATALAIA, ALEGRETE, CABEDELO and BARBACENA, I have to inform you that the ATALAIA is now in port and a survey will be carried out. The BARBACENA is expected in Rio shortly and this survey will also be effected.

The Owners inform, however, that spares are awaited from the U.S. for the "ALEGRETE", similar to those awaited for the "CABEDELO", as advised in my letter of the 29th ultimo. Meantime the Refrigerating Installations in these two vessels will not be used.
