LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

Dear Sir,

s.s. "ALEGRETE", s.s. "ATALAIA"
S.S. "BARBACENA", s.s. "CABEDELLO".
Present Record: RMC Class deleted with thin
black line.

With reference to the classification in the Register Book of the Refrigerating Machinery and Appliances of the above named vessels, it is observed that a period of more than five years has now elapsed in each case since a R.M.C. Survey has been carried out and Complete Periodical and Special RMC Surveys are now considerably overdue.

I shall therefore be glad if you will ascertain from the Owners and let me know for the information of the Committee whether it is their intention to engage these vessels in the carriage of refrigerated cargoes in the near future and whether the outstanding inspections will be held.

Yours faithfully,

Clerk to the
Classification Committee.

M. Caldwell, Esq.,
RIO DE JANEIRO.
