Port of Registry Rio De Janeiro.

Due

This vessel holds the notation "Lloyd's R.M.C. 7.45."

This case received the consideration of the Committee in January 1947 when action was deferred subject to a further survey of the refrigerating installation being carried out before refrigerated cargo is again loaded.

In reply to further enquiry the Rio de Janeiro Surveyor writes he has been informed by the Owners that this vessel has not resumed the carriage of refrigerated cargoes and that they will advise him before again carrying such cargoes.
