Dear Sir,

S.S. "SEVERN RIVER"

This ship was under Survey at Gdansk in October last when the complement of equipment on board was found to be deficient of a bower anchor.

It was recommended that a bower anchor should be supplied at the earliest opportunity and the Committee have continued the class subject to this being done. I shall be glad if you will inform the Owners accordingly and let me know what arrangements they propose to make in this respect.

Yours faithfully,

pro Clerk to the
Classification Committee

The Secretary,
NEW YORK.
