Dear Sir,

"JAG SEVAK" 843

As instructed in your classing letter of the 16th March, we have issued an amended interim certificate a copy of which is enclosed herewith. We regret the omission in this respect from our report.

With regard to the completion of the Main Boiler Survey, we have to advise you that this vessel is still in port and it is the owners intention to complete the survey at this time.

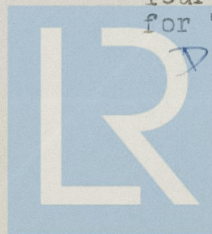

The bower anchor has now been received and it is expected to fit this on board at this time also.

Yours faithfully,
for The Surveyors.

The Secretary,
LONDON.
