ANSWER

With reference to my letter of the 11th October last, I shall be glad to learn if you are yet in a position to let me know what arrangements are proposed to be made for the Special Survey to be held by the end of next month.

The Main Boiler Survey will become due at the end of this month, and it is concluded that this inspection will be held at the same time as the Special Survey.

Date:— 29th July, 1964

We can state that this vessel has been sold for scrapping up in Teijon Tehtaat, Finland and that the work of demolition was commenced in spring 1964.
