S.

5th October, 1944.

Dear Sir,

s.s. "EMPIRE BALFOUR"  
Greenock First Entry Report No. 22795.

With reference to the above mentioned report I have to say it is concluded the statutory test applied to the chain cables is 96½ tons as required by the Rules and not 46½ as reported and that wood hatch covers and cargo battens have been fitted in Nos. 1 & 5 'tween decks, but I shall be glad to learn whether this is so.

I am, Dear Sir,  
Yours faithfully,

Copy sent Gls.

Clerk to the  
Classification Committee.

The Surveyors,  
GREENOCK.
