Dear Sirs,

S.S. "HALCYON MED"

I acknowledge your letter of the 10th August. Provided a satisfactory General Examination is held shortly, the Committee will be prepared to consider your proposal to postpone the Special Survey for twelve months until September, 1961.

According to the records in this Office the Steampipes were last examined and tested in September, 1952 and it is considered that the overdue Steampipe Survey should be held at the time of the General Examination.

I shall be glad to learn at what port the General Examination and Steampipe Survey will be held, in order that the Society's Surveyors may be advised.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
