Dear Sir,

"HALCYON MED"

We have for acknowledgement your letter of the 5th instant, reference Classn.H., advising us that the above vessel is due for special survey at the end of September next. We also note that according to your records the Steam Pipes Survey is now overdue.

This vessel sailed from Belfast a.m. yesterday for North Africa to load for the U.K., and subsequently has been fixed to load on Prince Line berth from Manchester about the 5th September for a Mediterranean round.

In view of cargo commitments, the Owners have asked us to request you to consider deferring this special survey for twelve months.

Awaiting the favour of your decision, we remain.

Yours faithfully,
