Dear Sir,

S.S. "MOUNT OLYMPUS"

The vessel arrived at Rijeka on 22nd May, 1958 with her engines heavily damaged and remained in port until 2nd July, 1958 when repairs were completed. During this time the vessel was attended by Mr. A. Butler, your Society's Surveyor.

We understand that Mr. Butler issued a report on the original damage and the subsequent repairs and as we have been in dispute with the ship-repairers for the past year over the quality of their work and the materials used we would very much appreciate a photostat copy of this report. Is it possible for you to let us have this, please?

Yours faithfully,
For: RALLIS SHIPPING CO. LTD.
