Dear Sir,

"CITY OF DELHI".

We acknowledge receipt of your letter of 8th inst. advising us that there will be no objection to the Annual Load Line and Special Survey being postponed until the vessel arrives at a Continental Repairing Port at the end of May.

We note that the Boiler Survey becomes due at the end of May and the Screwshaft Survey falls due in October, 1957. These will be attended to concurrently with Special Survey Repairs.

Yours faithfully,
For THE CITY LINE LIMITED,
