Dear Sir,

S.S. "BALLYDENE"

Our Principals, Messrs. John Kelly, Ltd., Belfast, have forwarded to us for our attention your communication of the 1st instant in reference to the Special Survey and Boiler Survey of the above-named vessel, due about the end of next month.

We have been asked to inform you that, although the final decision has not yet been taken, it is quite possible that this vessel will be disposed of instead of being put through survey.

Yours faithfully,

*James Maxton & Co.*

SUPERINTENDENT ENGINEERS.
