Dear Sirs,

I beg to acknowledge the receipt of your letter of the 17th instant respecting the steamer "BRITISH ADVOCATE", and note your remarks respecting the Boiler Survey for which I have to thank you.

I take this opportunity to point out that the period of extension of class granted on account of the examination carried out by the Society's Surveyors in September last, will expire at the end of next month, when a further General Examination in accordance with the terms of the Committee's recent decision respecting the suspension of Special Surveys will require to be held, and I shall be obliged if you will kindly let me know your intentions in the matter in due course.

As the Annual Load Line Survey will become due on the 11th September next it is concluded you will wish to arrange to carry out this inspection in conjunction with the General Examination for maintenance of class.

I am, Dear Sirs,
Yours faithfully,

Clerk to the
Classification Committee.
