Dear Sirs,

M. S. "ALVA CAPE".

With reference to your letter of the 25th March, it is concluded that the 135 fathoms of chain cable found to be worn by the Society's Malta Surveyors in August, 1965, will be renewed on the vessel's return to the Mediterranean area at the end of May, beginning of June, but your early confirmation will be appreciated.

Yours faithfully,

pro Classification Manager.
