Dear Sirs,

CLASSING LETTER.

3400 "ALVA CAPE". As recommended, except that
a notation of TS 8,65, has been assigned.

When this vessel was under survey in
Khorramshahr last June, it was recommended that
the spare propeller pedestal and fastenings should
be specially examined and dealt with as necessary
next Drydocking.

Although this is not a Classification item,
it is concluded that this has now been dealt with,
but your confirmation will be appreciated.

Yours faithfully,

pro Clerk to the
Classification Committee.

The Surveyors,
MALTA.
