With reference to my letter dated the 9th November and your acknowledgment dated the 13th November last, I shall be glad to learn if you are yet in a position to let me know when, and at which Port the Continuous Survey cycle of the machinery is to be advanced.

I take this opportunity to remind you that the Screwshaft Survey will become due at the end of April, and your intentions regarding this inspection will be appreciated in due course.

Yours faithfully,

Clerk to the
