Dear Sirs,

Motorship "ALVA CAPE"

Before your Report No.17125 receives consideration I have to inform you that the Rotterdam Surveyors were not satisfied with the operation of the safety valves of both boilers at the survey held last July, and confirmation is, therefore, desired that the safety valves of both boilers were adjusted under steam and found in order.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
SINGAPORE.
