Dear Sir,

m.v. "Athelsultan"

With reference to your letter of the 5th instant, concerning the repairs to the main engine frame between Nos. 3 and 4 units, we have instructed the Master of this vessel to arrange to have a re-examination of this defect at a suitable port before the end of August.

We hope that, provided the repair is found to be satisfactory, a longer period before re-examination will be granted.

Yours faithfully,  
ATHEL LINE LIMITED
