Dear Sir,

I duly received your letter of the 6th instant respecting the Motorship "NASSA", from which it is noted that the spare gear list and various certificates have now been received at your Office.

In reply to your enquiry, the Surveyor states that the invoice from Messrs. Stewarts & Lloyds, Ltd. refers to miscellaneous piping, including steam lines to the pumps etc. The main steam pipes which are  $6\frac{1}{2}$ " and 6" dia. x  $\frac{1}{4}$ " are made of open hearth steel.

I am, Dear Sir,  
Yours faithfully,

The Secretary,
