13th November, 1940.

Dear Sirs,

I have to inform you that the Motor Vessel "BARENDRECHT" has been under survey at this port on account of bomb damage.

Temporary repairs have been effected and an Interim Certificate has been issued to enable the vessel to proceed in ballast to the Tyne for permanent repairs.

I shall therefore be glad if you will kindly give the case the necessary attention, and may add that no specification for permanent repairs has been drawn up here.

I am, Dear Sirs,
Yours faithfully

J. H. L. L.

The Surveyors,
NEWCASTLE-ON-TYNE.
